

FEC Letter

Reference: Amended April Quarterly Report (1/1/04-3/31/04), received 6/4/04

Response Due Date: July 30, 2004

1) The calculations on Line 8 were incorrect. The Aggregate Total was calculated from 1/1/2003, instead of 1/1/2004. The April Quarterly, the June Monthly and the July Monthly were amended on 7/26/2004 to reflect the date correction. Cash on Hand at Close of Reporting Period is now correct.

2) The \$33,661.24 (Schedule B supporting Line 29) transferred to a non-federal account represented a correction for an excessive amount transferred to the federal account outside of the 70-day period. This was a corrective action for the Year End Report. This amount was not used to finance any activity in connection with a federal election.

3) Schedule(s) H4 discloses a disbursement with the following description: "Infrastructure Support". This is a disbursement related to web design and computer system support.

4) Instructions will be referred to when determining proper categorizations in disclosing financial activity reported on the Detailed Summary Page of subsequent filings.
